

## 1 IMPORTANT NOTE

Fixture comes partially assembled.

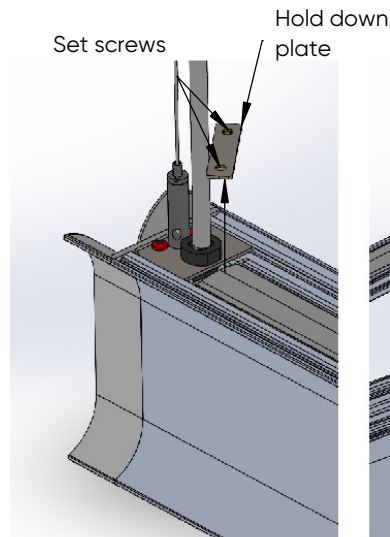

⚠ Ensure electrical circuit is disconnected before installation.

⚡ Luminaires must be installed in accordance with National electrical code and local regulation.

## 2 LED REPLACEMENT

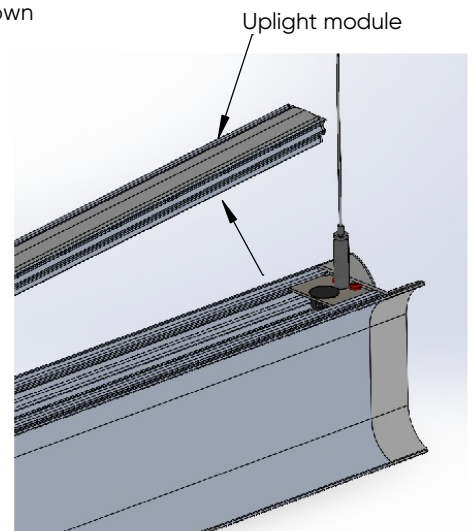

### STEP 1:

Loosen the set screws, rotate and remove hold down plates at both ends of the fixture.

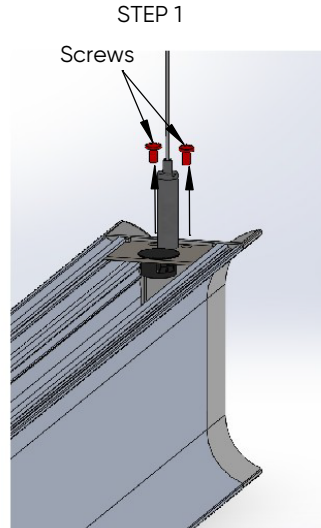

### STEP 2:

Lift uplight module or cover plate (depending on fixture type), but do not disconnect.

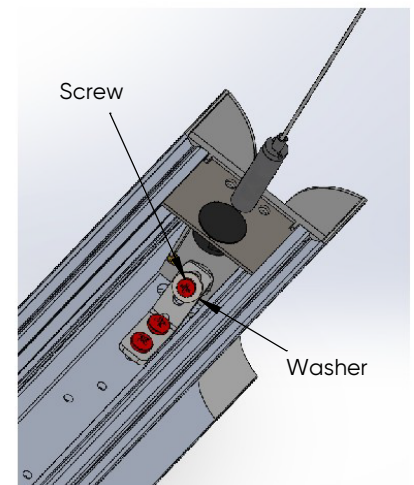

### STEP 3:

Remove the screws from the suspension plate.

### STEP 4:

Remove screw and washer holding the end cap.

STEP 1

STEP 2

STEP 3

STEP 4

STEP 5:

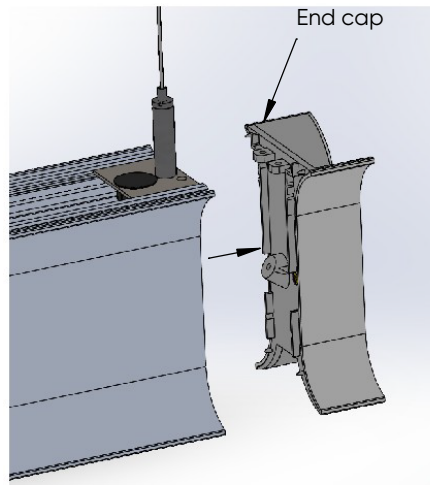

Remove end cap.

STEP 6:
