

1 IMPORTANT NOTE

Fixture comes partially assembled.

-  Ensure electrical circuit is disconnected before installation.
-  Luminaires must be installed in accordance with National electrical code and local regulation.

2 DRIVER REMOTE BOX (PENDANT)

STEP 1
Remove the screws and the drivers' box cover

STEP 2
Remove the necessary knockouts

STEP 3
Attach the conduits "NOT SUPPLIED"

STEP 4
Make the wiring connections

STEP 5
Re-attach the cover and secure it with the supplied screws

NOTE
Use the mounting brackets to secure the box in place to the structure of the ceiling (mounting screws by others)

When more than one remote box is supplied, they all must be connected to the same power supply branch circuit

Remote boxes should be accessible after installation
