QUANTITIES

### 1 DESCRIPTION

**KIORA's** neutral conical form with the opal diffused lens offers a minimalist decorative pendant that is versatile for a spectrum of space designs. The hidden internal reflector boosts the luminaire efficacy, delivering high light outputs suitable for high ceilings. With a choice between clear acrylic Decorative Rings or Discs for light with a unique green tint, this fixture can enhance the look of any space. The optional frosted aluminum reflector gives the fixture a timeless look with refinement at its core.
